Paint/Mortar Mixer

**TC-MX 1400-2 E**

**Item No.: 4258550**

Ident No.: 21020

Bar Code: 4006825602241

The paint-/mortar mixer TC-MX 1400-2 E is a high-quality and powerful aide to stir and mix powdery construction materials. Its two-speed gear unit in a robust and durable metal aluminium housing converts the power of the 1400 W motor either into a high torque or into high speed so that the required speed of mixing can be adjusted optimally to the consistency of the mixed material. The stirrer starts softly by soft start, and the inbuilt dynamic speed control enables the adjustment of the speed. Due to its big ergonomic handlebar, the mortar mixer always lays in the hand perfectly, and the long rubber cable offers a sufficient radius to work at any time.

## Features & Benefits

- 2 speed gearing for high power and high mixing performance
- Electronic speed control with pre-selection of speed
- Durable, rugged aluminum housing
- Shaft mount on the gear neck for stationary operation
- Ergonomic handle for longtime comfortable operation
- Softstart - for convenient and safe operation
- Rugged M14 stirrer mount
- Incl. mortar stirrer (diameter 133 mm)

## Technical Data

- Mains supply 220-240 V | 50 Hz
- Power 1400 W
- Idle speed (gear 1) 0-480 min<sup>-1</sup>
- Idle speed (gear 2) 0-780 min<sup>-1</sup>

## Logistic Data

- Product weight 3.46 kg
- Gross weight single packaging 6.07 kg
- Dimensions single packaging 325 x 325 x 210 mm
- Pieces per export carton 2 Pieces
- Gross weight export carton 12.1 kg
- Dimensions export carton 675 x 345 x 230 mm
- Container quantity (20"/40"/40"HC) 960 | 2100 | 2500
