

12V DC AIR PUMP

HVAP-12V

EH-Art. No: 30.003.59
Ident No: 11018
Barcode: 9319510023425
Bunnings Item No: 0091342

This lightweight and portable air pump from Ozito is a great tool for high volume, low pressure inflation jobs. The 345L/min air flow rate makes quick work of inflating flotation devices, camping mattresses and children's toys.

With 3 included inflator adaptors and a 12V DC car outlet plug, it's perfect for inflating things on-the-go, away from home or on a camping trip.

FEATURES & BENEFITS

Inflator/Deflator – Inflate flotation devices, camping mattresses, children's toys etc.

Car DC Outlet Plug – Keep it in your car & use it away from home

3 Adaptors Included – Suits a range of applications

Lightweight & Portable – Small & compact, take it with you everywhere
