

## TWIN MIXING DRILL

FBTMD-1600

This powerful 1600W Twin Mixing Drill comes with 2 stirring paddles to get you started, and is ideal for mixing concrete, mortar and paint to the perfect consistency.

The counter rotating action provides quick mixing with minimal effort, whilst the 2 speed gearing for high torque applications and dynamic speed control ensures there is no speed loss under load.

The ergonomic handle and soft start function provides safe and comfortable operation of the drill.

### FEATURES & BENEFITS

**1600W High Power** – For thorough mixing

**Ideal for Concrete, Mortar and Paint** – Top-down and bottom-up mixing options for best results

**Counter Rotating Mixing Action** – For quick mixing

**2 Speed Gearing for High Torque** – For good mixing results

**Soft Start Function** – For safe and comfortable operation
