

# CORDLESS GRASS TRIMMER

PXCLTS-018

The Ozito PXCLTS-018 Cordless Grass Trimmer is ideal for trimming lawn edges and grass around trees and shrubs.

A 90° rotating head allows quick change from grass trimming to edger and the telescopic shaft can be adjusted to suit the height of the operator for improved ergonomics.

The 5 position tilting head allows easy trimming under low hanging shrubs and trees, while it's lightweight design improves user comfort and allows easy maneuvering around the garden.

Lithium Ion technology provides cordless convenience and eliminates the need for long extension cords - choose the 18V Lithium Ion Battery for the run time you need.

## FEATURES & BENEFITS

**Rotating Head** - Allows quick change from grass trimmer to edger.

**Tilting Head** - The 5 position tilting head allows easy trimming under low hanging shrubs and trees.

**Sure Grip Handle** - Provides comfort and grip for the user.
