Fan Heated Tower

HT 1800/1

Item No.: 2338822

Ident No.: 11012

Bar Code: 4006825591224

The HT 1800/1 is a high-quality tower heater of superior design with a PTC ceramic heating element. It can be set for individual requirements throughout the home between seasons or on extremely cold days to provide a pleasant room temperature as quickly as possible. The low-noise radial fan with its electronic room thermostat (range of settings: 15 - 30°C) allows the air temperature in the room to be set precisely to suit the user. This product is only suitable for well insulated spaces or occasional use.

Features & Benefits

- PTC ceramic heating element
- 4 settings (Blower/1100 W/1800 W/Automatic)
- Electronic room thermostat (15 °C – 30°C)
- Oscillation function
