#### Table Saw

Item No.: 4340525

Ident No.: 11016

Bar Code: 4006825615661

The Einhell TC-TS 2025/1 UA bench-type circular saw is a high-performance tool for performing precise and flexible work. Exact longitudinal cuts and angle cuts in solid wood, fiberboard and other materials are all possible thanks to the 2-in-1 saw blade adjustment facility. The main table is made of aluminium and has guide rails. The work area can be extended to the right and left. A parallel stop with an eccentric clamp and an angle stop for miter cuts in the +/- 60 degrees range, plus a saw blade guard with a chip extraction system and the facility for winding up the cable are further advantages. Complete with a holder for the tools included in delivery, a carbide-tipped precision saw blade and a push stick with holder.

## Features

- 2 in 1 saw blade adjustment (height, angle 0°-45°)
- Main table out of aluminum
- Cross stop with angle scale (+/- 60°)
- Left and right table extension for bigger workpieces
- Extension of the table on the back side for longer workpieces
- Parallel stop with eccentric clamp
- Housing with chip extractor connection for a clean workplace
- Saw blade guards with chip extractor connection
- Includes base frame for stability stood
- Holder to wrap the power cord
- Holder for included tools
