Ident No.: 21011

Bar Code: 4006825663273

The 5-piece pump accessories set from Einhell can be used with both the suction side and the pressure side of surface pumps – for example garden pumps, domestic waterworks or automatic home and garden pumps. The 4 m suction set for the suction side consists of a hose, filter basket and non-return valve. The set also includes a 20 m garden hose with hose connectors and a handy garden shower, on which various modes can be set. In addition, for easy connection of a garden hose, a hose adapter for pumps with 33.3 mm (1") male thread and a hose adapter for pumps with 33.3 mm (1") female thread are included.
