

Einhell

ACCESSORY

Prof. accessory set 5 pcs. Air Compressor Accessory

Item No.: 4132720

Ident No.: 21102

EAN-Code: 4006825410020

The 5-piece professional set from Einhell for compressors is suitable for all standard compressors with a working pressure of at least 8 bar. The practical blow-out gun can be used for cleaning up the work area and for removing dust from surfaces you intend to paint. The paint spray gun is specially designed for spraying paints and lacquers. The spray gun is suitable for light oil and cleaning products. Included in the set is a tire inflator for checking the pressure and for inflating tires. For flexibility in use, a 4 meter compressed air hose with an inner diameter of 6 mm is also included. The set also includes a quick-release coupling for changing the tools quickly.

Features & Benefits

- 5-piece professional air tool set for numerous applications
- Suitable for compressors with working pressure of at least 8 bar
- Spray gun for spraying light oil and cleaning products
- Paint spray gun for applying paints and lacquers
- Blow-out gun for cleaning surfaces and work areas
- Tire pressure gauge for checking the pressure & inflating tires
- 4 meter compressed air hose with an inner diameter of 6 mm
- Incl. quick-release coupling for a fast tool change

Technical Data

Component 1: Blow-out gun	
- Operating pressure max.	8 bar
Component 2: Tire pressure gauge	
- Operating pressure max.	8 bar
Component 3: Spiral hose	
- Operating pressure max.	8 bar
- Hose length	4 m
- Hose inner diameter	6 mm
Component 4: Paint spray gun	
- Operating pressure	3-4 bar
- Tank volume	max. 0.6 l
Component 5: Spray gun	
- Operating pressure max.	3.5 bar
- Tank volume	max. 0.9 l
