TC-RO 1155 Kit

Item No.: 4350474

Ident No.: 21013

Bar Code: 4006825673944

The TC-RO 1155 Router Kit is a powerful 1,100-watt tool. The routing depth can be quickly preselected via a multi-position turret stop and then precisely tuned by means of a fine adjuster. Thanks to speed control electronics, the performance of the router can be optimally adapted to the requirements of the material and the router bit. The spindle lock enables quick, effortless changes of tool. The collet allows the use of tools with shank diameters of 6 mm or 8 mm. The extensive accessories contained in the TC-RO 1155 kit include a Ø 35 mm extraction adapter, a rip fence, a compass tip, a copying sleeve and a 15-piece routing set for woodworking.

Features & Benefits

- Depth adjustment with multi-stage turret stop
- Spindle lock for easy tool change
- Infinitely variable speed control electronics
- Steplessly adjustable routing depth with fine adjustment
- Collet 6 and 8 mm for various router cutters
- Incl. rip fence, compass tip, and copying sleeve
- Incl. tool for changing router bits
- Plastic insert protects the workpiece surface
- Chip shield protects against chips in the field of view
- Incl. extraction adapter compatible with Einhell wet/dry vacuum cleaners
- Incl. 15-piece woodworking router bit set in practical box
