TE-RH 950/1 5F

Item No.: 4257984

Ident No.: 21011

Bar Code: 4006825664713

No wall is safe from the TE-RH 950/1 5F Einhell hammer drill. The 950 watt unit with 2-speed gearbox combines five functions: Drilling, hammer drilling and chiselling with/without fixing and screws. The pneumatic percussion mechanism operates with up to 3 joules. The speed electronics allow gentle drilling and work with the material. Exact screwing and drilling work is facilitated by the additional drill chuck, clockwise and counterclockwise rotation, the adjustable depth stop and the endurance lock. A quick change of the drill bits is possible thanks to the SDS Plus holder with semi-automatic. The hammer drill sits particularly well in the hand thanks to the additional handle and softgrip surfaces. The hammer drill comes in a case.
