The original Einhell flood set adapter is a suitable accessory for connecting a 2" fabric hose to a 1 1/2" hose. This sturdy metal adapter is the ideal addition to the Einhell flood sets GE-DP 7535 N LL ECO 20 and GE-DP 7535 N LL ECO. Thanks to its durable construction, it withstands water pressure of up to 10 bar and ensures a secure, leak-free connection via the practical quick coupling. It is perfectly suited for use during flooding or high water, when large and small hoses need to be connected quickly and reliably. Supplied as a single hose adapter.
