

Petrol Lawn Mower

PVHM 51/5

Art.-No.: **34.010.62**

Bar code: **4006825534115**

Sales unit: **1 pc**

The self-driving petrol lawn mower, equipped with detachable rear-drive and a high quality **4-stroke motor 3,7 KW (5 HP)**, warrants a high perfection and reliability, quiet running, economical operation, a lot of power reserve and long service life. The contact free ignition and the automatic de-compression offer with the start tension cable easy starting without having to bend down. **The wheels equipped with ball bearing** let the lawn mower roll along comfortably.

The **ergonomic design of the handle** and its **5 fold cutting height adjustment** make the unit really service friendly. You can change all 4 wheels with one handle at the same time! Well designed **powder-coated sheet steel housing**. Sturdy grass collection bag with large volume. Also should be mentioned the problem free transport of the cut grass into the collection bag warranting a high degree of grass intake.

Features:

- Ergonomical guide rail (1)
- 1 cylinder, 4-stroke engine (2)
- Ball bearing wheels (3)
- Powder-coated sheet steel housing (4)
- Central cutting height adjustment (5)
- Grass collection bag (6)
- **Start tension cable integrated at the guide rail (7)**
