The Einhell E-Case System Kit is part of Einhell's modular E-Case system and is suitable for storing and transporting tools and accessories. The locking mechanism ensures secure stacking of the cases. Made from polypropylene, the cases are splashproof, heat-resistant, and impact-resistant. The robust construction supports a total load capacity of 120kg. Large, rubberised wheels allow for easy transport on any surface. A foldable, ergonomic handle ensures comfortable carrying. The kit includes one E-Case L with removable tray, one E-Case M, and one E-Case S-F with foam insert.
