RG-ES 1639
Electric Scarifier

The high-performance electric scarifier for spring and fall lawn care. Powerful series motor for high torques. Effective removal of thatch, dead plant matter and flat-growing weeds thanks to the specially shaped, fixed stainless steel double blades, for better outflow of water congestion and improved air and nutrient absorption. To let you lawn breathe again. Ergonomically shaped guide handle for fatigue-free working. The ball-raced blade drum contains 16 fixed stainless steel double blades.
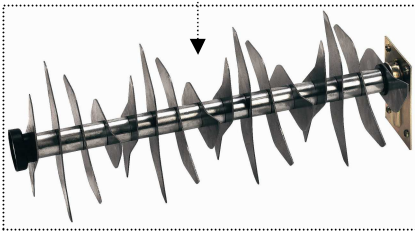

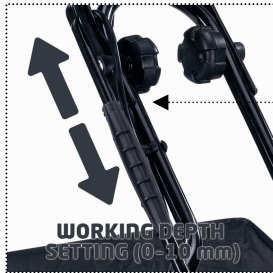

Features

- Powerful series motor with high torque
- Ball-raced blade drum with 16 fixed stainless steel double blades
- Continuous working depth adjustment
- Large lawn protecting wheels
- Large collection bin 40 ltr.
- Housing made of impact resistant high quality plastic
- Recommended for lawn area up to 600 m²
