

Metal Band Saw HMB 4000

Art.-No.: **45.042.01**

Bar code: 4006825501292

Sales unit: 1 pc

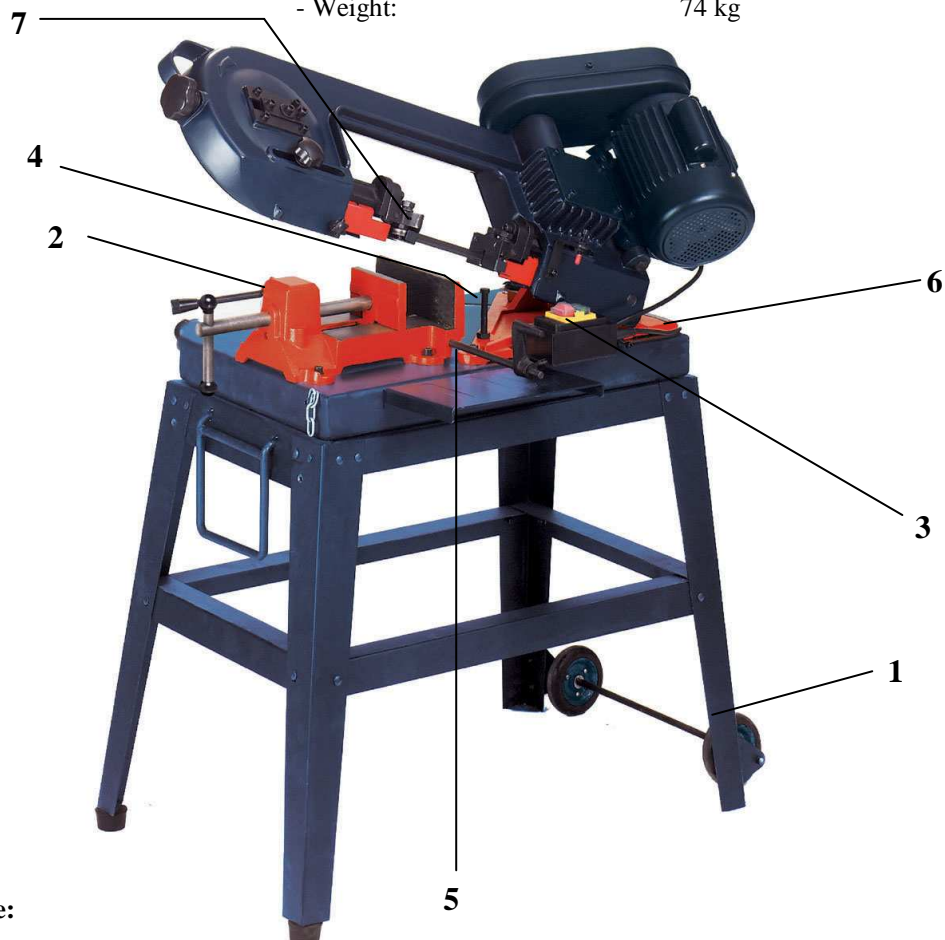

This metal band saw, equipped with three speeds, offers a wide range of possibilities when cutting metal and aluminium. It's especially ideal for sawing tubes and profiles. Its rugged induction motor provides quiet operation. The precision 3-guide rollers optimally guide the band saw through the unit. The guide rollers are made of metal and assure a long life of service. **The unique swivel head allows mitre cuts on long and bulky parts. Swivelling the clamping device of the band saw's mitre guide is no longer necessary.**
