

## Air Compressor Airbase 8/2 Set

Art.-No.: **40.100.91**

Bar code: **4006825536089**

Sales unit: **1 pc**

The compact Airbase 8/2 air compressor is the ideal equipment for DIY and convince through huge air capacity at a high pressure. The mobile and oil-lubricated 1-cylinder compressor with direct coupled engine is silent and suitable for nearly all compressed air application. Especially for coating, clamping, spraying and blowing up of balls and wheels.

### Features:

- Pressure reducer (1)
- Pressure switch
- Air intake filter
- 1 gauge for regulating the working pressure (2)
- Drain valve
- Back pressure valve
- Safety valve (3)
- **10 years warranty for the vessel**
- *No TÜV re-approval will be necessary*
- 1 gauge for non-regulating vessel pressure (4)
- Case for accessories (5)
- Undercarriage with an extendable handle (6)
- Cable run

### Technical data:

- |                           |                         |
|---------------------------|-------------------------|
| - Air intake capacity:    | 206 l/min               |
| - Vessel size:            | 6 l                     |
| - Speed:                  | 2,850 min <sup>-1</sup> |
| - Mains:                  | 230 V ~ 50 Hz           |
| - Motor power:            | 1.5 kW (2 HP)           |
| - Operating pressure max: | 8 bar                   |
| - Weight:                 | 25 kg                   |
| - Packing dimensions:     | 395 x 370 x 730 mm      |

### Standard accessories:

- 3 parts compressed-air set consisting of: spiral hose (7), blow out gun (8) and wheel filler with manometer (9)
- 8 parts adapter set (10)
