

Einhell

Battery

18V 4Ah PXC Plus Twinpack

Item No.: 4511629

Ident No.: 21025

Bar Code: 4006825673685

The Einhell Einhell Battery PXC+ 18 V 4.0 Ah Twin-pack is part of the inter-compatible Power X-Change battery system from Einhell. The universal Power X-Change batteries provide power and endurance to any cordless tool across the entire product family. The Einhell PLUS technology uses type 21700 lithium-ion cells to deliver the same performance and runtime as the 4.0 Ah basic PXC battery — but with only five cells instead of ten. This results in batteries that are 13% more compact and 12% lighter, enabling more efficient work. The PXC+ 18 V 4.0 Ah battery is also suitable for use as a twin-pack in 36 V applications. Two PXC+ 4.0 Ah batteries are supplied. The charger is sold separately.

Features & Benefits

- Universally compatible with all Power X-Change devices
- PLUS technology: Full power with a more compact design
- Cordless freedom and flexibility around the home and garden
- Battery management system (ABS) for optimal battery monitoring
- Best performance, safety, durability and service life thanks to ABS
- Low self-discharge thanks to high-quality Li-ion cells
- 3-setting LED display for charge level control
- High impact protection and good grip thanks to rubberised housing
- Housing protected against dust and corrosion
- Recessed handle for easy removal of battery from tool
- Twin-pack use in 36 V applications

Technical Data

- | | |
|-----------------------|----------|
| - Voltage | 18 V |
| - Amount of batteries | 2 pcs |
| - Battery capacity | 4000 mAh |
| - Max. power | 900 W |

Logistic Data

- | | |
|--|--------------------------|
| - Product weight | 0 kg |
| - Gross weight | 1.202 kg |
