

## Automatic water works HWA 2800

Art.-No.: **41.766.30**

Bar code: 4006825412710

Sales unit: 1 pc

The garden pump in combination with the electronic flow indicator switch allows using external water supplies i.e. for storing in rain-water tanks, for lawn watering or the use of grey water in the house. The smartly designed HWA 2800 is extremely silent and therefore suitable for use in living quarters.

The inserted thermal cut-out protects the pump of overheating.

The electronic flow indicator switch turns on automatically when water is needed and shuts itself off, when the water supply is stopped, i.e. by closing of the water tap. The pump is protected by the unlubricated operation protection (protection against dry running) against damages.

**Features:** electronic flow indicator (1), handle (2), on- / off-switch (3), manometer (4)

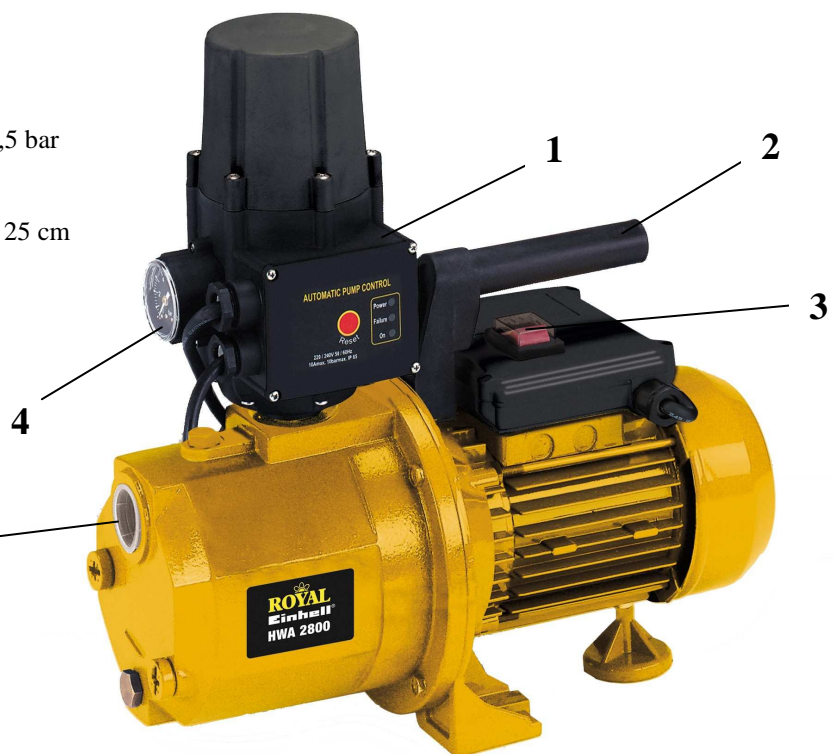

### Technical data:

Mains	230V ~ 50Hz
Power:	500 watts
Water delivery capacity max.:	3200 l/h
Delivery height max.:	39 m
Pressure max.:	3,9 bar
Suction height max.:	8,5 m
In-Out adaptor size:	1"
Starting pressure:	approx. 1,5 bar
Water temperature max.:	35 °C
Weight:	7,8 kg
Packing dimensions:	55 x 21 x 25 cm

### Performance data:

Delivery height	Delivery capacity
10 m	2.400 l/h
20 m	1.300 l/h
30 m	580 l/h

Connection for  
suction hose

### As special accessory available:

Pre-Filter VF 12

Art.-No: **41.738.00**  
bar code: 4006825412291

Pre-Filter VF 25

Art.-No.: **41.738.50**  
bar code: 4006825412406
