

# EinHELL

## MR 924 TT Oil Radiator

Art.-No. 23.383.05

Mobile oil radiators of EINHELL provide everywhere for cosy warmth where there is no central warm care. The EINHELL MR 924 TT oil radiator distinguishes itself by robust construction method, mature technology and an easy use. The special oil heats up fast. The warmth is stored long and still long time after the stream was evenly switched off to the space was delivered. A shiftable, 400 watt PTC heating fan, provides for the speed-up of the warming. Via a timer you can set the turn-on and turn-off instant in 15 minute interval.

### Features

- Mobile housing with 9 fins (1)
- 4 castors (2)
- Cable winding (3)
- Shiftable 400 watt PTC heater fan (4)
- 24 hours timer (5)
- 2 Switches with 3 heat levels (800 / 1,200 / 2,000 W) and power display (6)
- Continuously thermostat control (7)
- Integrated handle
- Tilting protection (switches off during tilting)
- Overheating protection

### Technical data

- |                           |                    |
|---------------------------|--------------------|
| ■ Mains:                  | 220-240 V ~ 50 Hz  |
| ■ Radiator heating power: | 2,000 watt         |
| ■ Fan heating power:      | 400 watt           |
| ■ Protection category:    | IP X0              |
| ■ Unit dimensions:        | 465 x 245 x 630 mm |
| ■ Product weight:         | 11.3 kg            |

### Logistic data

- |                       |                    |
|-----------------------|--------------------|
| ■ Net weight:         | 11.8 kg            |
| ■ Gross weight:       | 13.0 kg            |
| ■ Packing dimensions: | 500 x 160 x 710 mm |
| ■ Bar code:           | 4006825 571217     |
| ■ Sales Unit:         | 1 pc               |
