

Einhell

Chain Saw Trestle Kettensägebock 2.5

Item No.: 4500690

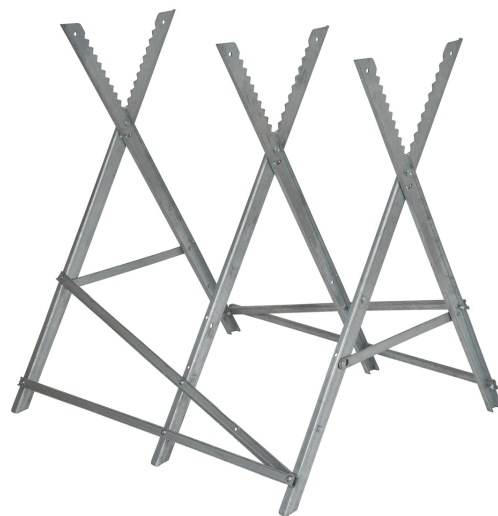

Ident No.: 21013

Bar Code: 4006825678826

The Original Einhell chainsaw horse provides maximum stability while working with the chainsaw. The serrated contact surface prevents the wood from twisting during sawing work. With a maximum load capacity of 200 kg, tree trunks up to a diameter of 300 mm can be easily placed on the chainsaw horse and processed. The sawhorse is 80 cm long and is made of durable metal. For ergonomic and comfortable working, the chainsaw horse can be adjusted to three different working heights: 680 mm, 640 mm and 600 mm. It is foldable and can therefore be stored quickly and in a space-saving manner.

Features & Benefits

- Original Einhell chainsaw horse made of metal
- Practical accessory for working with the chainsaw
- Additional transverse struts for a secure stability
- Profile thickness of 2.5 mm
- Maximum load capacity: 200 kg
- Length: 80 cm
- Serrated support surface for tree trunks up to Ø 300 mm
- Adjustable working height between 680 mm, 640 mm and 600 mm
- Foldable for space-saving storage
