

Angle grinder E-WS 230/2350

Art.-No.: **44.720.20**

Bar code: 4006825502985

Sales unit: 2 pcs

Powerful, robust, handy and compact two-hand angle grinder for roughing, grinding and cutting; for discs with a diameter of 230 mm.

Flat gear head (**metal head**) for working on hard to reach areas.

The handle is pivotable up to 90° to the left and/or right thus the handle can be adjusted to the desired area of application; e. g. separating of metal or roughing. And moreover the angle grinder is equipped with an adjustable additional handle, which can be adapted to the respective working position according to the desires of the user.

The disc lock allows a problem-free change of the disc. You need only the included flange key.

Cutting disc is not included in delivery!

Features:

- Disc protection – high speed locking (1)
- Metal gear housing (2)
- Spindle lock (3)
- Adjustable additional handle (4)
- **Soft-painted housing surface**
- Marquardt-switch (5)
- Turnable handle (6)
- Softstart
