

45 YEARS EDITION

RED RG-EH 6053 Kit Electric Hedge Trimmer Kit

Einhell Germany AG

The convenient helper for getting even the densest hedges in shape. Silent, safe and easy to handle. Special drive system for powerful cutting performance and highly efficient blocking protection. Equipped with counter-rotating double blades made of precision-sharpened special steel. ON/OFF (dead man's) safety switch and a large hand protection shield for safe operation. Supplied with a sturdy blade protection cover for storage and transport. Optimized ergonomic design for fatigue-free working. The rear handle turns at a 90-degree angle for easy handling in hard-to-reach areas (i.e. when cutting hedge in "overhead" position). Horizontal guidance, easy collection of cuts thanks to mountable shovel. Better than the competition's leading products with 3,200 cuts per minute.

MECHANICAL BLADE STOP
