Electric Blower

TC-WB 600

Item No.: 3407990

Ident No.: 21010

Bar Code: 4006825651706

The Einhell TC-WB 600 electric blower turns on the turbo for cleaning work. Complete with removable, short tube and included dust bag, it is a versatile tool for use on the building site, the workshop or the garden. Clear up dust and dirt from the building site or the garden, remove chips in the workshop or blow-clean drill holes: With a speed up to 270 kilometers per hour and an idling speed up to 16,000 rpm, the electric blower has immense energy and power. It also has 6-steps electronic speed control for adjusting it to each specific application. An additional suction setting collects fine dust. Thanks to the possibility of continuous operation the blower enables fatigue-free working. The blower is light and easy to handle.

Features & Benefits

- Fine dosing of the air speed with 6 settings possible
- Additional vacuum setting for fine dust
- Practical dust bag for keeping the workplace tidy
- Versatile: Building site - workshop - garden
