The Original Einhell diamond cutting disc set 150 mm is a practical accessory for wall cutters. The two diamond cutting discs are used in conjunction with a wall groove cutter for powerful milling of slots and grooves in masonry. They are especially suitable for milling in stone, concrete, tiles, ceramics, porcelain stoneware, marble and granite. Thanks to their 22.2 mm bore, the diamond cutting discs can be used with the Einhell wall cutter TE-MA 1700 and in devices from other manufacturers. Delivery includes two 1.8 mm thick diamond cutting discs with a diameter of 150 mm.
