

Electric-Garden Blower Vac PG-EL 2450 E

Art.-No.: **34.331.70**

Bar code: **4006825546859**

Sales unit: **1 pc**

The electric leaf blower vac with its „vacuum and shredder” function and “blowing” function provides cleanliness in the yard and around the house in a short period of time. Without any changing, the functions can be set just by pushing the selector switch. **The no load speed is electronically adjustable. Therefore the blowing speed and suction capacity can be adjusted comfortable continuously.**

The electric leaf vac takes in and shreds soft material of large size like leaves and grass down to 1/10 of its original size with the built-in shredder.

With the blowing function leaves sprayed out on wide grounds can be blown quickly on to one pile. Even the dirt in slits and corner can be cleaned properly.

The carrying belt and the additional handle allow a fatigue-less work. The large dimensions of the suction pipe and the collection bag enable safe working.
