RG-SA 1433

Electric Scarifier-Aerator

Depending on application you can convert this unit within seconds from a scarifier to an aerator. Using it as a scarifier you can remove moss and weeds with its rootings. When you use the unit as an aerator, the lawn surface will be scored for better water-draining and nutrient uptake. To let your lawn breathe again. Powerful series motor for high torques. Ergonomically shaped guide handle for fatigue-free working. Convenient wall mounting for space-saving storage.
