CLASSIC

Hand Winch

TC-WI 500

Item No.: 2260160

Ident No.: 11019

Bar Code: 4006825643909

The Einhell TC-WI 500 hand winch can handle a maximum payload of 500 kilograms. The hand winch from Einhell has a 10 meter twist-free wire cable (Ø 4.2 mm) with a load hook and a retention latch. The retention latch prevents the load from being unhooked accidentally. Thanks to a return stop the cable and the load can be stopped securely. The hand crank has a soft grip for a firm, secure hold and a comfortable working. There is a mounting plate with holes for quick and easy fixation.

Features & Benefits

- 10 m twist-free wire cable (Ø 4.2 mm)
- Incl. load hook with retention latch
- Return stop to stop the cable and the load securely
- A soft grip on the hand crank ensures comfortable working
- Easy to fix thanks to mounting plate with holes
- The max. payload of the hand winch is 500kg
- Retention latch prevents the load being unhooked accidentally
