# RT-SD 3,6 Li
Cordless Screwdriver

The lithium ion screwdriver is the optimal solution for each DIY. By its handy size it is universally applicable. Due to the lithium ion technology the battery won't unload automatically any longer and it is loadable easily independent from the charge of battery anytime (no memory-effect). In addition the RT-SD 3,6 Li has a 3-settings battery capacity indicator, a bright LED-light and a practical magnetic screw holder on the unit.

Features

- Screwdriver with lithium ion accu
- 3-settings LED battery display
- Charging control lamp
- Right-/left rotation
- LED-light
- Magnetic screw holder
- Robust metal gearbox
- 4 bits
- Holster bag
- Safety loop
