0-100%RH | -20 TO 60°C DIGITAL HUMIDITY & TEMPERATURE METER
ODTH-100

This Digital Humidity & Temperature Meter provides humidity, temperature and dew point readings for an area. Use this to check for moist environments that may lead to mould growth in bedrooms, bathrooms and pantries, monitor storage areas for sensitive camera equipment and wines, or growing conditions for greenhouse plants.

The data hold and max/min reading function makes it easier to keep records, while the screen can be backlit for better viewing in dim conditions. The auto shut off feature conserves power when inactive, whilst the low battery indicator shows when the batteries need replacing.

FEATURES & BENEFITS

Moisture & Temperature Measurements – *Monitor ambient conditions for wine cabinets, dry rooms, bathrooms, greenhouses & pantries*

Datahold & Backlit Display – *For easier legibility & viewing*

Adjustable Limit Warning – *Alarm sounds when the temperature goes above or below preset limits*

Auto Shut Off – *Conserves battery power when not in use*

Batteries Included – *Get started right out of the box*

SPECIFICATIONS

Power: 3 x 1.5V AAA Batteries

Measuring Range: -20 to 60°C (Temperature)

      0 to 100%RH (Humidity)

      -62 to 60°C (Dew Point)

Operating Temperature: -20 to 60°C

Resolution: 0.1°C / 0.1%RH

CONTENTS

1 x Digital Thermo-Hygrometer

3 x AAA Batteries

1 x Storage Bag

1 x Instruction Manual

LOGISTICS

Product Weight – 0.109kg

Single Box Dimensions (LxWxH) - 127 x 235 x 35mm

Outer Carton Qty – 28 units

Pallet Quantity - ## units

3 YEAR REPLACEMENT WARRANTY
