

## Aluminium Green House Genial III/6 mm

Art.-No.: 36.513.55

Bar code: 4006825565072

Sales unit: 1 pc

Due to the fact that the green house (3-panels – single door) was statically properly calculated, anodized aluminium profiles, you don't need any crosswise installing wind bonds. The individual parts which must be installed are limited to a minimum. A patent-registered connecting system, fixed connection points, the pre-assembled window and the pre-assembled door reduce the assembling time significantly. High heat insulating, full-page from aluminium profiles bordered 6 mm sheets made of polycarbonate offers an optimal climate in the green house.

It is recommended to embody the green house with one aluminium stand and 4 pcs of ground anchors (are available as accessory) in the ground. Alternatively it can be installed also onto a wall or a concrete stand. The national customary building regulation is to be considered.

The greenhouse is snow load tested with 50 kg/m<sup>2</sup> and wind load tested with 25 kg/m<sup>2</sup>.

### Features:

- High strength, beamless anodized closed aluminium profiles for an optimal reinforcement of geometry
- Patent-registered connecting system
- High quality ridge and corner completion made of powder-coated aluminium – die cast
- High, closed floor sweep
- Screw made of stainless steel, rustfree
- Polycarbonate sheets 6 mm, impact and shock resistant, resistant to ball throw, UV-resistant, temperature resisting -25°C to +60°C
- Large single wing door with metal hinges, metal pushers and clip-supported twice bolting device
- 2 pcs at the front side arranged, sliding windows which can be opened stepless and horizontal
- 4 pcs drain gutters with hose preparation

### Technical data:

- Dimensions L x B:	230 x 234.4 cm
- Eaves height:	138.5 cm
- Ridge height:	205 cm
- Door height (clearance):	178.3 cm
- Door breadth (inner width):	73.8 cm
- Floor space approx.:	5.39 m <sup>2</sup>
- Room volume:	9.3 m <sup>3</sup>
- Panels:	3
- Thickness sheets:	6 mm
- Net weight:	49.5 kg
- Gross weight:	71 kg

Quick & Easy system –  
singular assembly technique

### As special accessory available:

#### Aluminium stand

Art.-No.: 36.513.60

Bar code: 4006825565126

#### Ground anchors BD4 Set

Art.-No.: 36.405.90

Bar code: 4006825514551

#### Ventilation system

Art.-No.: 36.513.35

Bar code: 4006825574647
