

CC-AC 35/10 12V

Car Air Compressor

Item No.: 2072121

Ident No.: 11016

Bar Code: 4006825618327

The Einhell CC-AC 35/10 12V car compressor is a handy and high-performance compressor specially for flexible and mobile use with up to 35 l/min. Thanks to the 12-Volt connection with cigarette lighter plug and the 2.8 m supply line, different compressed air operations as e.g. the inflation of vehicle, motorcycle, bicycle tires, balls, small air mattresses etc. can be carried out quickly and at any location. Via the integrated pressure gauge, the current air pressure can be read from 0 to max. 10 bar. The air hose is additionally provided with a Schrader valve connector for car tires and can be used in a versatile manner with the supplied 4 auxiliary adapters (Dunlop valve, water ball, air mattress and ball adapters).

Features

- Pressure gauge 0 - 10 bar
- Output: 35 litres per minute
- Power supply: 12 V, connection cable with cigarette lighter plug
- Extra long connection cable: 2.8 m
- Air hose with valve connector for car tires (Schrader valve)
- 4 pcs spare adapters (bike, water ball-, air bed-, ball adapter)

Technical Data

- | | |
|---------------------------|--------|
| - Rated voltage | 12 V |
| - Operating pressure max. | 10 bar |
| - Length of pressure hose | 1.5 m |

Logistic Data

- | | |
|--------------------------------------|--------------------|
| - Product weight (kg) | 1.9 |
| - Gross weight single packaging | 2.18 kg |
| - Dimensions single packaging | 225 x 205 x 194 mm |
| - Pieces per export carton | 8 Pieces |
| - Gross weight export carton | 17.5 kg |
| - Dimensions Export Carton | 385 x 220 x 396 mm |
