

18V CORDLESS LAWN EDGER

PXCLES-018

The Ozito PXCLES-018 Cordless Lawn Edger is designed for edging and landscaping tasks to help keep your lawn edges and yard looking neat and tidy.

It's ideal for edging along solid surfaces such as driveways, footpaths or other structures. Landscaping tasks around the garden are made easier, such as shaping borders around trees and flowerbeds for a professional finish.

With three different cutting depths to 45mm, this edger is perfect for a variety of different lawn types. The strong, lightweight steel shaft with Sure Grip handle and adjustable front handle delivers a comfortable user experience. Thanks to a split shaft the unit can be dismantled into two parts in just a few seconds for easy transportation and space saving storage.

FEATURES & BENEFITS

Dual Cut 190mm blade – Provides a vertical cut into the lawn bordering your driveway, footpaths and paved areas.

Adjustable Cutting Depth – Perfect for a variety of different lawn types.

Split Shaft – Easily dismantled into two parts in just a few seconds for easy transportation and space saving storage
