RT-TS 2031 U

Table Saw

The RT-TS 2031 U mobile table saw is powered by a strong 2,000 watts induction motor with mechanical brake. The table saw is powder-coated and therefore permanently protected against corrosion.

The table saw is equipped with a serial table extension. The height-adjustment mechanism allows simple and precise setting of the saw blade.

Thanks to the undercarriage and handles, the saw can be transported by a single person.
