Deep Well Pump

GC-DW 1045 N

Item No.: 4170955

Ident No.: 21033

Bar Code: 4006825616446

The Einhell deep well pump GC-DW 1045 N is a robust deep well pump for delivering clear water. The slim pump can be lowered up to 19 m deep using the supplied rope and secured via the suspension loops. A multi-stage impeller provides high and consistent pressure. The non-return valve prevents backflow when the pump is turned off. The pump housing and dirt filter are made of stainless steel, and the sturdy pressure connection features a stainless steel insert. The high-quality mechanical seal ensures a long service life. The hose connection is easily accessible on the top, and the pump is equipped with a stand.

Features & Benefits

- 6-stage impeller system for high delivery pressure
- High delivery pressure for irrigation, e.g. with sprinklers
- Stainless steel pump housing
- Pump diameter 99 mm for narrow shafts
- High immersion depth thanks to long power cable and cord
- Easily accessible hose connection on the top of the pump
- Robust pressure connection with stainless steel insert
- With integrated non-return valve
- High-quality mechanical seal for a long service life
- Stainless steel strainer
- Thermal overload protection
- 22 m rope for easy lowering of the pump
- Suspension eyelets for attaching the drain cable
- Pump foot for secure footing and optimum suction

Technical Data

- Mains supply	220-240 V 50 Hz
- Power	1000 W
- Max. delivery capacity	6500 L/h
- Max. delivery height	45 m
- Max. immersion depth	19 m
- Max. water temperature	35 °C
- Max. size of foreign particles	0 mm
- Hose connection	42mm (G1 1/4 IG)
- Power cord	22 m H07RN-F
- Pump diameter	99 mm

Logistic Data

- Product weight	8.6 kg
- Gross weight single packaging	14.1 kg
- Dimensions single packaging	750 x 200 x 280 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	14.1 kg
- Dimensions export carton	745 x 190 x 270 mm
- Container quantity (20"/40"/40"HC)	744 1488
