## Metal Cutting Saw

**TC-MC 355**

**Item No.: 4503135**

Ident No.: 21035

Bar Code: 4006825619966

With the 2,300W Einhell metal cutting machine TC-MC 355, various metals can be cut powerfully. The soft start protects the mechanism from high torques. The cutting capacity is adjusted by means of a height stop and the saw blade lock allows a safe saw blade change. In the clamping device with quick-release fastener, the workpiece is fixed at the desired angle (-15°–45°). The metal mitre saw is supplied with a 3.2 mm thick cutting disc with 355 mm diameter. The spark arrester ensures safety during work. For safe transport, the metal cutting machine has an additional handle and a transport lock.

## Features & Benefits

- Softstart to protect the mechanics from high torques
- Adjustable height stop for adjusting the cutting height
- Saw blade fixation for easy replacement of the saw blade
- Clamping device with quick release (-15°–45°)
- Spark deflectors to protect against glowing sparks
- Tool holder for the supplied hex key
- Transport lock and additional handle for transport

## Technical Data

|                             |                        |
|-----------------------------|------------------------|
| - Mitre saw                 | -15° -45°              |
| - Power rating              | 2300 W                 |
| - Table size                | 460mmx260mm            |
| - Idle speed                | 4000 min <sup>-1</sup> |
| - Clamping range            | 230 mm                 |
| - Saw width 90° round       | 100 mm                 |
| - Cutting disc              | 355 x 25.4 x 3.2 mm    |
| - Saw width 90° rectangular | 100 mm                 |
| - Mains supply              | 220-240 V   50-60 Hz   |
