The cordless hot glue gun TC-CG 3.6/1 Li offers cordless freedom on glueing tasks thanks to the 3.6 V lithium ion battery, and because of being compact it can be used with flexibility for every job. The ergonomic handle ensures a secure and firm hold for working without fatigue. The Anti-Drip-System keeps both the material and the work area clean. The TC-CG 3.6/1 Li is ready to use after only 30 seconds of heat-up time. The practical LED-indicator for heat and charge status lets you see the status of the product at a glance. For safety reasons the hot glue gun switches off after 5 minutes of inactivity. Included in the delivery are a charger and four glue sticks.
