Solar Panel

Solar panel 40W

Item No.: 4530150

Ident No.: 21014

Bar Code: 4006825685114

The Einhell 40 W Solar Panel is a mobile power solution for camping, garden use or travel. Designed as an accessory for the TE-ES 18/150/1 Li-C-Solo power station, it charges Power X-Change batteries using solar energy. Smartphones and tablets can also be charged directly via USB-A and USB-C. The XT60 port allows connection to additional power stations. With 23% efficiency, the panel offers excellent performance. Fold-out feet ensure stability, while the magnetic-closing handle and integrated pouch make transport and storage easier. The panel is splash-proof (IPX4). Includes one XT60 and one USB-C cable.

Features & Benefits

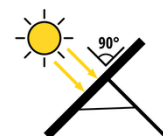

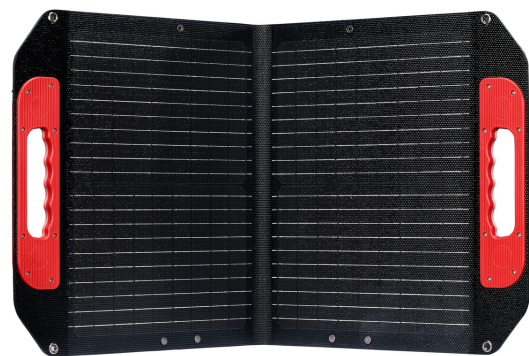

- Foldable 40 W solar panel for outdoor use
- Accessory for Einhell Power Station TE-ES 18/150/1 Li-C-Solo
- For use with other stations via XT60 connection
- Charges small devices like phones or tablets
