

The Screwmaxx – it reaches where others fail!

90° continuously adjustable gear head

70° rotating handle

Display included

The screwmaxx is the handy solution for every do-it-yourselfer. **Its continuously adjustable gear head with high-grade metal gear makes it a clear winner of the competition. Thanks to its rotating handle it even reaches hard-to-get-to areas without any problems.**

Via torque setting the cordless screwdriver can be easily adjusted for all fastening works.

The soft grip guarantees improved and convenient handling. A high quality, 15 pcs. titan plated bit-set is included.

NGS 4,8 Cordless screwdriver
