The Einhell KH 500/1 fan heater provides cozy heat on cold days. It is designed for use in dry, enclosed rooms. It has a safety cut-out, in case the device tips over. The safety cut-out also trips in case of overheating. The high-quality PTC heating element provides pleasant warmth. The thermostat keeps the temperature at a constant level, while the axial fan spreads the flow of warm air evenly around the room. This product is only suitable for well-insulated rooms or for occasional use.

## Features & Benefits
