**BLUE**

## BT-PG 850 (230V+12V) Power Generator

Art.-No. 41.512.29

### Features

- 230 V (1) and 12 V socket for easy power supply
- Overload switch for appliance safety (2)
- Fuel valve (3)
- Reversing starter (4)
- Sturdy feet with vibration damper (5)
- Carrying handle for easy transport (6)
- Powerful 2-stroke engine, air-cooled
- Synchronous generator
- Large 4.2 liter tank for a continuous operation
- Full crank shaft
- Automatic voltage regulation
- 12 V connection with adapter cable (battery clamps)

### Technical Data

- |                              |                                 |
|------------------------------|---------------------------------|
| ■ Generator:                 | Synchronous                     |
| ■ Rated voltage:             | 230 V ~ / 12 V d. c.            |
| ■ Continuous power (230 V):  | 650 W                           |
| ■ Maximum power (230 V):     | 720 W (S2 15 min)               |
| ■ Rated current (230 V):     | 2.8 A                           |
| ■ Frequency (230 V):         | 50 Hz                           |
| ■ Maximum power (12 V):      | 63.6 W                          |
| ■ Type:                      | 1 cylinder; 2-stroke air-cooled |
| ■ Cylinder Capacity:         | 63 cm <sup>3</sup>              |
| ■ Max. Power (Petrol motor): | <b>0.95 kW</b> / 1.3 HP         |
| ■ Fuel:                      | Mixture 1:50 (2%) (Oil:Petrol)  |
| ■ Tank capacity:             | 4.2 l                           |
| ■ Consumption at 2/3 load:   | approx. 0.7 l/h                 |
| ■ Protection type:           | IP 23                           |
| ■ Weight net:                | 18.2 kg                         |
| ■ Weight gross:              | 18.5 kg                         |
| ■ Packing dimensions:        | 382 x 325 x 310 mm              |
| ■ Bar code:                  | 4006825 564815                  |
| ■ Sales unit:                | 1 pc                            |
