

Einhell

ACCESSORY

Air Compressor Accessory

10pcs airtool set w. bag

Item No.: 4139694

Ident No.: 21024

Bar Code: 4006825672381

The original Einhell 10-piece Compressed Air Set with Pouch includes accessories compatible with any compressor. The set includes a tyre inflator gauge, a blower gun adapter, 8 common valve adapters and a storage pouch. The tyre inflator gauge helps when filling tyres and displays the pressure in bar and psi. The matching blower adapter needle is suitable, for example, for cleaning work areas. With the set of 8 standard adapters, you are fully equipped for a variety of valve types, such as ball valves, Dunlop valves and screw valves. The entire compressed air set can be stored in the included storage pouch.

Features & Benefits

- Tyre inflation gauge with gauge in bar and psi for monitoring tyre pressure
- Blower adapter needle suitable for tyre inflation gauge
- Metal needle for inflating balls
- Robust valve adapter for pumping up bicycle tyres
- Additional adapter for valves with internal diameter from 8 mm
- Additional adapter for valves with internal diameter from 10 mm
- Adapter for use with standard screw valves
- Variety of adapters for air release valves and screw valves
- Storage pouch with hook-and-loop fastener for easy storage
