Electric Scarifier and Aerator

Art.-No. 34.205.05

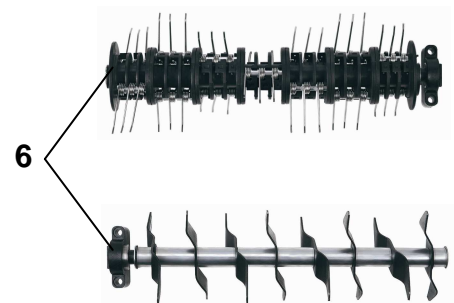

Depending on application you can convert this unit within seconds from a scarifier to an aerator. Using it as a scarifier you can remove moss and weeds with its rootings. When you use the unit as an aerator, the lawn surface will be scored for better water-draining and nutrient uptake. The unit can be used problem-free also for long time periods because of its low weight and the four castors. For easy transport and space-saving storage the handle is easily foldable. The integrated height adjustment allows an adaptation onto the respective underground.

Features

- Powerful series-characteristic motor
- Safety switch (1)
- Foldable guidance bar (2)
- Integrated height adjustment (3)
- 4 wheels (4)
- Collection bin (28 l) (5)
- Easy changeable rotors (6)
- Recommended for lawn area up to 300 m²
