

For a dust-free work environment
in your workshop!

Einhell®

NEW GENERATION

The powerful ASA 550/100 exhaust system is perfect for do-it-yourselfers and hobby workers helps to keep your working space splinter and dust free. It helps decrease the risk of dust inhalation and increase safety thanks to y clean work environment.

The exhaust system has a high suction power of max 1150 cbm/h, a quick-release fastener for quick change of the collection bag and an undercarriage for easy transport.

The ASA 550/100 can be connected to all woodworking machines with a 100 mm or 35 mm suction appliance.

ASA 550/100 Exhaust system
