This 6L air compressor is great for small tasks around the home and garden. Its small, compact design and oil-free motor make it easy to transport.

Use it to clean your workspace, inflate sporting goods, or pump up your tyres. This compressor is also great for use with staplers and nailers that require low air flow.

It comes with a 20 piece accessory kit for a wide range of situations. The quick release Nitto fitting makes it easy to swap between adapters or accessories.
