The Einhell table saw TC-TS 8 I is a compact, powerful tool for working with wood, fibreboard and other materials. The low-maintenance, smooth-running and powerful induction motor provides the necessary power. The blade can be tilted to the left, which in combination with the angle stop (+/- 45°) makes precise mitre cuts possible. The table saw is equipped with a rip fence with clamps on both sides and a connection for chip extraction. The cable can be stored on the convenient cable holder. The carbide-tipped saw blade delivers clean cutting performance. The specially designed bracket means the included push stick will always be within reach.

Features & Benefits

- Compact design for portable use
- Low-maintenance, smooth-running induction motor for plenty of power
- Blade tilts up to 45°
- Angle stop (+/- 45°) for easy mitre cuts
- Rip fence with clamping on both sides for precise cuts
- Push stick for safe working
- Robust steel worktable for precise cuts
- Device on housing for rewinding the power cable
- Chip extraction connection incorporated into housing to ensure a clean work area
- Incl. 1x HW/TCT saw blade

Technical Data

- Mains supply	230-240 V
- Power	500 W
- Max. power (S6 | S6%)	800 W | 15 %
- Idle speed	2950 min^-1
- Saw blade	Ø200 x ø16 mm
- Number of saw teeth	24 Pieces
- Swiveling range of saw blade	45 °
- Max. cutting height at 45°	27 mm
- Max. cutting height at 90°	45 mm
- Diameter of suction adapter	36 mm
- Size of working table	505 x 373 mm

Logistic Data

- Product weight	10.5 kg
- Gross weight single packaging	13.7 kg
- Dimensions single packaging	540 x 410 x 360 mm
- Pieces per export carton	1 Pieces
- Gross weight export carton	13.7 kg
- Dimensions export carton	536 x 405 x 360 mm
- Container quantity (20"/40"/40"HC)	360 | 714 | 833
