The Einhell BT-HT 100/1 sack trolley is low in weight yet sturdy in design and has a maximum load capacity of 100 kilograms. The agility of the sack trolley makes it ideal for maneuvering about, even along winding passageways. It is also user-friendly thanks to the swing-out handles. The steel/plastic frame can also be pulled in and out. For easy and space-saving storage the handles can be folded in, as can the wheels and the base plate.

Features & Benefits

- Light yet sturdy design with a max. load capacity of 100 kg
- Agile and comfortable to maneuver thanks to the swing-out handles
- Flat storage thanks to folding handles, wheels and base plate
- The steel/plastic frame can also be pulled in and out
