Automatic Home/Garden Water Pump

GE-AW 1246 N FS

Item No.: 4177020

Ident No.: 21025

Bar Code: 4006825642476

The Einhell automatic domestic pump GE-AW 1246 N FS has a power output of 1,200 watts and can be used to pump up to 4,600 l/h of clear water from wells or cisterns for home and garden use. At 5 bar pressure, the pump achieves a delivery height of 50 m and a suction height of 8 m. Suction and water level indicators and a large filling opening facilitate commissioning. A flow sensor with LCD, the contamination gauge for the pre-filter, dry-running and scald protection ensure safety. The design includes durable mechanical seals, a 42-mm (R11/4 external thread) inlet connection and two 33.3-mm (R1 internal thread) pressure connections made from metal. The system can be completely emptied via a drain plug for frost-proof storage.

Features & Benefits

- Water level indicator for checking the fill level during commissioning
- Large water filling screw for easy filling
- Contamination gauge for checking the condition of the pre-filter
- Suction indicator for monitoring pumping processes
- Flow sensor with LED display
- Dry-running protection to prevent pump damage
- Frost protection via water drain plug
- Thermal protection and scald protection
- Pre-filter with non-return valve for clean water flow
- Durable metal construction suction and pressure connections
- Second pressure connection for using multiple devices
- High-quality mechanical seal for long service life
- Incl. 1" (33.3 mm) external thread universal adapter

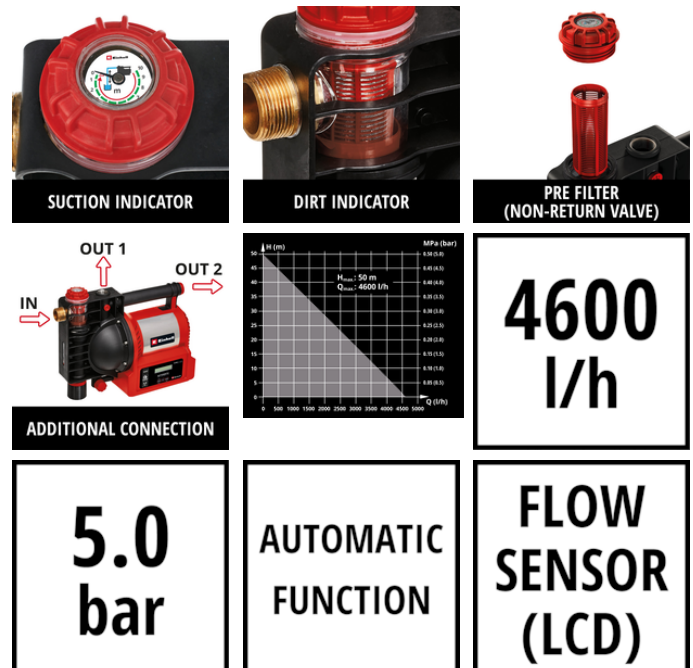

Technical Data

- Power	1200 W
- Max. water temperature	35 °C
- Max. suction height	8 m
- Max. delivery capacity	4600 L/h
- Pressure connection	33,3mm (R 1" IG)
- Suction connection	42 mm (R 1 1/4" AG)
- Mains supply	220-240 V 50 Hz
- Max. delivery height / - pressure	50 m / 5 bar
- Power cord	150 cm H07RN-F

Logistic Data

- Product weight	11.4 kg
- Gross weight	13.05 kg
- Dimensions single packaging	500 mm x 232 mm x 386 mm
- Pieces per export carton	1 pcs
- Gross weight of export carton	13.05 kg
- Dimensions export carton	500 mm x 232 mm x 386 mm
- Container quantities (20"/40"/40"HC)	678 pcs 1434 pcs 0 pcs
