The Original Einhell protective battery cover is designed for all 18V Power X-Change batteries and protects them from any kind of dust, dirt, moisture and splash water. This ensures the longevity of the Power X-Change batteries. The protective battery cover can be used with all devices with a groove above the battery holder. The sheath is fastened in this groove. The battery cover is made of high-quality, resistant silicone and is especially suitable as an accessory for the Einhell cordless pressure cleaning gun HYPRESSO 18/24, the cordless pipe cleaner TE-DA 18/760 Li and the cordless pressure sprayer GE-WS 18/10 Li. The battery protection is supplied without a battery.
