

Screw, where others can't!

Einhell®
NEW GENERATION

90° continuously adjustable gear head

70° turnable handle

Inclusive Display

The screwmaxx is the optimal, handy solution for each do-it-yourselfer. **The continuously adjustable gear head with high grade metal gear stands out clearly against the competitions. With the turnable handle the user can work in hard-to-get-to areas without any problems.**

By the use of the torque setting the cordless screwdriver can be adjusted easily for all screwdriver works.

The Soft grip guarantees a better and convenient handling. A high quality, 15 pcs. titan plated bit-set is included.

NGS 4,8 Cordless screwdriver
