Cross Laser Level

TC-LL 2

Item No.: 2270105

Ident No.: 21022

Bar Code: 4006825616231

The Einhell cross laser level TC-LL 2 makes it easy to project a laser cross and single laser lines onto walls, floors, ceiling or workpieces. Angular placement on surfaces is possible with the universal clamp for precision operation. Used as a digital spirit level, the cross laser level makes conventional measuring tools redundant. This cross laser level also has a self-leveling function, with an LED which warns of tilt angles greater than 4° degrees. A 1/4" thread is integrated for use on a tripod. Comfortable handling of the cross laser level is assured by the soft grip. Included in the scope of delivery is a universal clamp for user-friendly and flexible operation and a practical bag.

Features & Benefits

- Easy projection of a laser cross
- Projection of a horizontal and/or a vertical laser line
- Angled positioning of objects with help of the universal clamp
- Self-leveling (LED warning if the inclination is more than 4°)
- Integrated 1/4" thread for use with a tripod
- Also usable as a digital spirit level
- Comfortable handling thanks to the soft grip
- Incl. universal clamp for convenient working
- Incl. practical bag for storage
- 2x 1.5V AA batteries needed (not included in delivery)

Technical Data

- Working Range	8 m
- Laser class (horizontal)	II
- Laser diode (horizontal)	635 nm
- Laser class (vertical)	II
- Laser diode (vertical)	635 nm
- Auto-leveling time	5 s
- self-leveling range	4 °
- Accuracy	0.5 mm/m
- Tripod thread	1/4"

Logistic Data

- Product weight (kg)	0.27
- Gross weight (kg)	0.691
- Dimensions single carton	220 x 90 x 189 mm
- Pieces per export carton	8 Pieces
- Gross weight of export carton	7.1 kg
- Dimensions export carton	455 x 400 x 195 mm
- Container quantity (20"/40"/40"HC)	7040 14080 15360
